

SELECTION GUIDELINES

WOMEN'S WORLD CUP AND EUROPA CUP 2024-25

PREAMBLE

The goal of the selection guidelines is to select athletes with the potential to make WC or EC points and eventually podiums. It is also the aim of these guidelines to provide younger athletes with valuable experience for the future.

SELECTION TO EC RACES

Athletes with ECSL points are automatically selected within quota restrictions. In the event there are more athletes with ECSL points than quota it will go by ECSL ranking. Additional quota spots can be filled based on FIS race results at the discretion of the Women's Alpine Head Coach.

SELECTION TO WC RACES

Athletes ranked in the Top 60 in WCSL are automatically selected to the World Cup race concerned. Athletes who have achieved top 3 results in EC will be given a possibility to start WC within quota restrictions. Athletes who have achieved top 15 results in EC will be considered to fill any remaining quota.

Selection to any WC event remains at the discretion of the Women's Alpine Head Coach.

QUALIFICATION

Should there be more potential athletes than quota spots for any WC or EC event, there will be a qualification race. The format, timing, and location of the qualification will be communicated by the Women's Alpine Head Coach within a reasonable time frame.
