If an athlete does not meet the selection criteria, SSF may still select the athlete to the team based on a **coaching assessment** (see below).

COACHING ASSESSMENT

If the National team coaching staff considers that an athlete is close to meeting the selection criteria and/or demonstrates strong future potential, the athlete may be considered through the coaching assessment process.

If the number of athletes meeting the criteria exceeds the national quota, the final selections between those athletes will also be made through the coaching assessment process.

PROCEDURE

When evaluating an athlete's results, will results from the current season given priority. The coaching assessment process prioritizes competitions in the following order:

- World Cup (WC)
- Europa Cup (EC)
- Junior World Championships
- Other Continental Cup (COC) competitions
- International FIS competitions
- Domestic FIS competitions

Tie-breaking criteria (in order of priority):

1. Higher placing in **World Cup (WC)** competitions.
2. Higher placing in **Europa Cup (EC)** competitions.
3. Better **FIS points**.
