SELECTION GUIDELINES

MEN'S WORLD CUP AND EUROPA CUP 2026-2027 AND WSC 2027

LEVI WC RACES

Athletes will be selected by the Head Coach based on their training performance, points, and race placements.

In case a required level of performance or point level / according to the WC rules (basic quota rank up to 150 on the FIS points list or at the home race rank up to 350 on the FIS points list) is not met, SSF will not use all the quota spots.

If needed, a qualification race will be organized before the event.

SELECTION WC RACES

For the other World Cup races a top-15 placement in Europa Cup race or ranked up to 150 in discipline is a prerequisite for participation in a World Cup race. Otherwise, a selection is made by the Head Coach based on level of performance, points, quota places and program of the team.

SELECTION EC RACES

Selection for EC races are made by the Head Coach based on level of performance, points, quota places and program of the team. Athletes who are members of SSF teams have priority.

WSC CRANS MONTANA 2027

For the WSC 2027 athletes will be selected according to the FIS rules, by SSF and Head Coach, based on their performance on the WC level (top 30), EC level (top 10).
